- **Destination Europe** educational tool
- **EMN Platform on Statelessness**
- **Events** - meetings, workshops, conferences

Key outputs: slide 1 of 5

Annual Migration Overview

(national overviews, European synthesis report and related publications).

Destination Europe interactive learning and training tool about migration and integration

Key outputs: slide 2 of 5

EMN Studies and informs

(national overviews, European synthesis reports and related publications)

Key outputs: slide 3 of 5

Ad-hoc Queries

Expert group “EMN Platform on Statelessness” (informs, events)

Funded by
the European Union

Key outputs: slide 4 of 5

Asylum and Migration Glossary an online resource of terms related to migration and asylum in Europe, which improves comparability by enabling a common understanding and use of terms and definitions relating to asylum and migration.

Key outputs: slide 5 of 5

Events (national conference, expert workshops),
EMN Luxembourg website,
Social media (LinkedIn)

Key takeaways

Mission: provide objective, reliable and comparable migration and asylum information.

Functioning: a European network coordinated by the Commission and implemented through National Contact Points.

Impact: supports policymaking, promotes cooperation and knowledge exchange, and strengthens migration governance at both national and European levels.
